# PerkinElmer Bolsters Sustainability Commitments and Builds Off Recent Progress in New ESG Report

11/7/2022

Highlights include increasing commitment to further reduce Scope 1 & 2 emissions and becoming a signatory of the United Nations Global Compact

WALTHAM, Mass.--(BUSINESS WIRE)-- **PerkinElmer Inc.** (NYSE: PKI), a global leader committed to innovating for a healthier world, today released its **2022 Environmental, Social and Governance (ESG) Report**. The report describes progress on the Company's **previously stated goals**, builds on the Company's ESG commitments and summarizes its overall ESG strategy aimed at better supporting people and the planet.

"Doing good by people and the planet is inextricably linked to our mission of innovating for a healthier world, and the steps we have taken in 2022 to enhance our ESG strategy and program are in line with that objective," said PerkinElmer President and CEO Prahlad Singh. "I am grateful for the collective efforts of PerkinElmer's global team to make a positive impact on the lives of people worldwide and their leadership across the various ESG activities described in this report."

Key updates highlighted in the report include:

- Increasing the Company's commitment to now reduce Scope 1 and 2 emissions by 50.4% by 2032
- Becoming an official signatory of the United Nations Global Compact, the UN's voluntary initiative encouraging companies to adopt policies that are both sustainable and socially responsible in the areas of labor, human rights, corruption and the environment

- Implementing a formal materiality assessment to gauge the relative importance of ESG topics to employees, customers, Company leaders and shareholders to help focus future ESG priorities
- Investments made to support the Company's ESG ambitions by empowering a senior-level Head of ESG with supporting capacity to help drive ESG initiatives
- Creating a new website, [esg.perkinelmer.com](https://esg.perkinelmer.com), dedicated to hosting the latest news and updates regarding ESG policies, events and disclosures at PerkinElmer

Other initiatives outlined in PerkinElmer's 2022 ESG report include investments into renewable energy projects, recent water reduction efforts, more sustainable packaging initiatives, outcomes from the Company's annual "Impact Day," the creation of new Employee Resource Groups (ERGs) and several new or expanded governance measures.
