

NEWS RELEASE

Patterson-UTI Reports Drilling Activity for August 2020

9/4/2020

HOUSTON, Sept. 4, 2020 /PRNewswire/ -- **PATTERSON-UTI ENERGY, INC.** (NASDAQ: PTEN) today reported that for the month of August 2020, the Company had an average of 59 drilling rigs operating. For the two months ended August 31, 2020, the Company had an average of 59 drilling rigs operating.

Average drilling rigs operating reported in the Company's monthly announcements represent the average number of the Company's drilling rigs that were earning revenue under a drilling contract. The Company cautioned that numerous factors in addition to average drilling rigs operating can impact the Company's operating results and that a particular trend in the number of drilling rigs operating may or may not indicate a trend in or be indicative of the Company's financial performance. The Company intends to continue providing monthly updates on drilling rigs operating shortly after the end of each month.

About Patterson-UTI

Patterson-UTI is a leading provider of oilfield services and products to oil and natural gas exploration and production companies in the United States, including contract drilling, pressure pumping and directional drilling services. For more information, visit www.patenergy.com.

Cautionary Statement Regarding Forward-Looking Statements

This press release contains forward-looking statements which are protected as forward-looking statements under the Private Securities Litigation Reform Act of 1995 that are not limited to historical facts, but reflect Patterson-UTI's current beliefs, expectations or intentions regarding future events. Words such as "anticipate," "believe,"

"budgeted," "continue," "could," "estimate," "expect," "intend," "may," "plan," "predict," "potential," "project," "pursue," "should," "strategy," "target," or "will," and similar expressions are intended to identify such forward-looking statements. The statements in this press release that are not historical statements, including statements regarding Patterson-UTI's future expectations, beliefs, plans, objectives, financial conditions, assumptions or future events or performance that are not historical facts, are forward-looking statements within the meaning of the federal securities laws. These statements are subject to numerous risks and uncertainties, many of which are beyond Patterson-UTI's control, which could cause actual results to differ materially from the results expressed or implied by the statements. These risks and uncertainties include, but are not limited to: adverse oil and natural gas industry conditions, including the rapid decline in crude oil prices as a result of economic repercussions from the recent COVID-19 pandemic; volatility in customer spending and in oil and natural gas prices, which could adversely affect demand for Patterson-UTI's services and their associated effect on rates, utilization, margins and planned capital expenditures; global economic conditions; excess availability of land drilling rigs and pressure pumping equipment, including as a result of low commodity prices, reactivation, improvement or construction; liabilities from operations; weather; decline in, and ability to realize, backlog; equipment specialization and new technologies, including the ability to develop and obtain satisfactory returns from new technology; shortages, delays in delivery and interruptions of supply of equipment and materials; ability to hire and retain personnel; loss of, or reduction in business with, key customers; cybersecurity risk; difficulty with growth and in integrating acquisitions and new technology; governmental regulation; perception of sustainability practices; product liability; legal proceedings, including technology disputes, and actions by governmental or other regulatory agencies; political, economic and social instability risk; ability to effectively identify and enter new markets; dependence on our subsidiaries to meet our long-term debt obligations; variable rate indebtedness risk; ability to maintain credit rating and service debt; stock price volatility; anti-takeover measures in our charter documents; contingent tax liabilities; and ability to use net operating losses.

Additional information concerning factors that could cause actual results to differ materially from those in the forward-looking statements is contained from time to time in Patterson-UTI's SEC filings. Patterson-UTI's filings may be obtained by contacting Patterson-UTI or the SEC or through Patterson-UTI's website at <http://www.patenergy.com> or through the SEC's Electronic Data Gathering and Analysis Retrieval System (EDGAR) at <http://www.sec.gov>. Patterson-UTI undertakes no obligation to publicly update or revise any forward-looking statement.
