AMERICAN AIRLINES FARES REMOVED FROM DESPEGAR.COM

Customers Can Find Best Available Fares on aa.com and Through Local Agency Partners

MIAMI- American Airlines has removed its flights for sale on the online booking site, Despegar.com. The airline made the decision to pull its content from the site after discovering Despegar.com was using unfair and unclear pricing practices.

American Airlines flights may still be purchased on a number of online sites including American's own website, aa.com, by calling the local American Airlines reservations office, visiting our local travel sales centers or through your preferred travel agent.
