American Airlines Newsroom

NEWS RELEASE

2017 Travel By the Numbers

1/4/2018

The year 2017 flew by, and we couldn't be prouder of everything the American Airlines team has accomplished. We continue to focus on creating a fantastic product and delivering what customers want, taking care of our team, returning value to our shareholders and looking ahead to the future.

And throughout 2017, thanks to dedication of our 120,000 team members, we had record on-time departures and on-time arrivals, as well as our lowest rate of mishandled bags and customer complaints.
