

New Shuttle service for customers traveling between the Windy City and the City that Never Sleeps.

Beginning April 4, American Airlines will expand its Shuttle offering to include service between New York LaGuardia (LGA) and Chicago O'Hare (ORD).

The American Airlines Shuttle offers business customers flexible and convenient benefits, including:

Dedicated check-in kiosks and ticket counters

Consistent gating

Complimentary beer and wine in Main Cabin

Boarding gates close to security

15 flights per weekday between ORD and LGA, scheduled on the half hour.

Extended check-in and checked bag times

American currently operates the Shuttle between **LGA and Boston Logan International Airport (BOS)**; **LGA and Ronald Reagan Washington National Airport (DCA)**; and **DCA and BOS**.
