American Airlines Commends Congress for Passing Bipartisan FAA Authorization

10/3/2018

FORT WORTH, Texas — American Airlines today issued the following statement on the passage of legislation that will extend the authorization of the Federal Aviation Administration through October 2023.

“American Airlines commends Congress for passing a bipartisan, multiyear FAA bill that will provide needed certainty, enhance safety, and help us better serve our team members, customers and airports throughout our network,” said American’s Chairman and CEO Doug Parker. “We thank Chairman Shuster, Ranking Member DeFazio, Chairman Thune and Ranking Member Nelson for their leadership and commitment to the aviation industry, as well as their staffs for their hard work on this legislation.”

About American Airlines Group
