Tell Me Why: “A lighter aircraft and the capability to fly farther” — Robert Isom

6/19/2019

On a recent episode of Tell Me Why — American's vodcast series for team members that shares the "why" behind the decisions we make — President Robert Isom explains the why behind our decision to order 50 Airbus A321XLR aircraft. The A321XLR is a new narrowbody aircraft that can fly more than 4,700 nautical miles, which will help us grow our East Coast hubs to new destinations in Europe and South America.
