Tim McGraw sings support for SU2C

7/16/2019

Stand Up To Cancer Ambassador and country music superstar Tim McGraw sings from the heart on many of his hit singles, and he brought those emotions to a campaign shoot in Nashville in May. He joins American and Stand Up To Cancer in this year's campaign to raise important funds for cancer research. Watch as Tim shares his personal story and joins team members who have their own very special reasons for standing up in the video below.
