Travel Alert: Tropical Storm Nicholas to Impact Texas Gulf Coast Airports

9/13/2021

FORT WORTH, Texas — American Airlines is closely monitoring Tropical Storm Nicholas, which is expected to produce heavy rainfall and potential flooding, impacting portions of the Texas and Louisiana coasts this week.

American issued a **travel alert** for eight airports in Louisiana and Texas, allowing customers whose travel plans are impacted by Tropical Storm Nicholas to rebook without change fees. Customers can reschedule their travel on **aa.com** or by contacting Reservations at 800-433-7300 in the United States or Canada. If a customer chooses not to fly to/from an airport covered by the current waiver, American will waive change fees for future travel. Customers are also encouraged to check the status of their flight on **aa.com**.

If an American flight has been canceled or excessively delayed, customers may cancel their itinerary and **request a refund by visiting our website**. Customers who booked through a travel agent should contact their travel agency directly.

Our team will continue tracking this system with our customers' and team members' safety top of mind.
