AMC 2023: Spinning wrenches, winning trophies

5/2/2023

FORT WORTH, Texas — The 2023 Aerospace Maintenance Competition (AMC) is in the books. More than 80 teams from around the world competed in 26 events in the two-day competition. American Airlines sponsored six teams of aviation maintenance technicians (AMTs) from across the system and student teams from Aviation Institute of Maintenance — Chicago, George T. Baker Aviation Technical College in Miami and Tulsa Tech in Tulsa, Oklahoma. Three of American's teams and all three American-sponsored student teams took home top spots in a number of events.

Here are highlights from this year's competition which was held April 18–20 in Atlanta. American's AMTs are already looking forward to the 2024 AMC in Chicago.
