A PREMIUM EXPERIENCE ROOTED
IN BOSTON PRIDE

American has been a part of the Boston community for decades, connecting New England to key domestic and international destinations to support the city in the moments that matter most. Each April, as the city becomes a global stage for the marathon, the Admirals Club® lounge at Terminal B reflects that moment — offering travelers floor-to-ceiling views of the airfield and downtown Boston in a welcoming, premium setting.

The lounge space offers a modern retreat for runners and supporters alike, reflecting the community spirit that defines the marathon weekend. The space, which spans over 15,000 square feet, balances comfort and function, giving travelers room to slow down, refuel and take in the moment, before or after miles on the course.

ACCESS TO AMERICAN'S LOUNGE
NETWORK

For those traveling domestically, Admirals Club® lounge access is available through an Admirals Club® membership, qualifying oneworld status or the Citi® / AAdvantage® Executive World Elite Mastercard®. Citi® / AAdvantage® Globe™ Mastercard® cardholders can also use one of their four Admirals Club® Globe™ passes, valid for 24 hours. Customers can also purchase a One-Day Pass, valid for 24 hours, for \$79 or 7,900 AAdvantage® miles.
