Serve, sip, relax: American aces the lounge experience in Miami

2026-03-13

Ready to cheer on fan-favorite tennis stars? American Airlines is welcoming customers traveling for one of the country's largest tennis tournaments with an elevated experience inside its Flagship® and Admirals Club® lounges at Miami International Airport (MIA). The lounges give travelers a calm, premium space to recharge before or after the tournament.

A PREMIUM EXPERIENCE FOR
EVENT-WEEK TRAVELERS

The Flagship® and Admirals Club® lounges, all located in Concourse D, provide a modern, comfortable environment with thoughtful design and premium amenities.

MIA serves as one of American's international gateways, with an industry-leading network to Latin America and the Caribbean. With more than 400 peak day arrivals, American's presence in Miami means that travelers from anywhere can enjoy the action of the week, and soak in all that Miami has to offer.

American continues to invest in MIA with elevated travel experiences; **a new Flagship® lounge and an expanded Admirals Club® lounge** that are coming soon will nearly double the lounge space for customers. Together with Miami-Dade County and Miami-Dade Aviation Department, American recently announced plans for a **reimagined Concourse D**, which will enhance operations, elevate the customer experience and make international travel more seamless.
