This notice relates to withholding on common units owned by non-U.S. investors of Natural Resource Partners L.P. (the “Partnership”). If you are not a non-U.S. investor and you do not act as custodian for a non-U.S. investor, you may ignore this notice.

Section I – Distribution Withholding:

This notice is intended to serve as qualified notice under Treasury Regulation Section 1.1446-4(b). Brokers and nominees should treat one hundred percent (100%) of the Partnership’s distributions to non-U.S. investors as being attributable to income that is effectively connected with a United States trade or business. Accordingly, the Partnership’s distributions to non-U.S. investors are subject to federal income tax withholding at the highest applicable effective tax rate.

For the purposes of withholding on sales transactions under Treasury Regulation Section 1.1446(f)-4(a)(2), brokers should treat one hundred percent (100%) of the proceeds attributable to the sale of Partnership units as being attributable to a U.S. trade or business.

A copy of this notice will also be available on the Partnership’s website (currently available at <https://investor.nrplp.com/market-information/distribution-history/default.aspx>) for ten years from the date of the issuance of this notice.
